

Dear Parents

2019 01 10

In the interest of supporting students academically we are opening registration for the first session of After School Academic Support. This session will run for 6 weeks during the period of **January 20 – February 28**. Parents must arrange to have their child picked up from school when the activity is completed.

If you would like to have your child participate in this session, please make your choice from the following table and fill in the following page. The application form must be given into the Accounts Department, to “Ms. Marwa”, along with payment for the session.

Registration, along with the payment may be made from **January 13 - 17**.

Registration is for the full 6 weeks of this session; the fees are non-refundable once the activity starts. Some sessions may fill up quickly with limited space. Once the registrations are in, the school will arrange students into activity groups.

Please help ensure that your child attends every session they registered for.
